Hi Chiara,

So attached is a list of SNC federal facilities from Q42018 in California. It looks like at least 2 are in RB9, Navy Base Coronado CA0109185 and Continental Maritime CA0109142. I think we should touch on those at least, but we can talk about other facilities in SNC that we can help out with or other problematic federal facilities (some of which you mentioned in a previous email).

Thanks!

Mike
